

SPONSORSHIP OPPORTUNITY

2022 NEW HAMPSHIRE COLLABORATIVE LAW ALLIANCE

INTRODUCTORY INTERDISCIPLINARY COLLABORATIVE DIVORCE TRAINING

The NH Collaborative Law Alliance offers you a unique opportunity to connect in person with a variety of professionals who work in the field of divorce. Sponsoring the two-day, Basic Interdisciplinary Collaborative Divorce Training on May 6th and 7th, 2022 is an excellent way to market your service or product and help advance the field of Collaborative Divorce.

Presented by our in-house trainers the two-day Basic Training participants will see how the Collaborative Divorce team works from start to finish with lots of demonstrations and discussion.

Divorce represents a transitional stage of life, where the parties de-couple and must rearrange their family and financial lives, such as securing new insurances, retirement and investment strategies and plans, new housing, tax advice, etc. Professionals directly involved in the divorce process are an important long-term source of referrals for professionals providing services the parties will need as they establish their new lives.

As a sponsor you will gain an introduction to attendees including lawyers, financial professionals, and mental health professionals who currently use, or plan to use, the collaborative model of divorce resolution. Attendees are expected to be from New Hampshire, Maine, Massachusetts, and Vermont. Members of the NH Collaborative Law Alliance are permitted to be sponsors even if they are not attending the training. No sponsor is permitted to attend the training without registering and paying for the training in addition to the sponsorship.
